Protect steps and life by donating Shoes and Donate Warm Clothes to Poor tribal kids as They Suffer Much in Winter - by **CONCEPT SOCIETY, INDORE- INDIA**

Suddenly, the weather has become chilly; we can finally say that winters have arrived. For most of us, winter is the time for comfort, for good food and warmth. But once think about those lesser fortunate people, no blanket, no shoes and no warm clothes.

This winter think of those poor people who have hardly even full-sized thin clothing to cover their bodies in wide open. My motive behind writing this story is to bring our whole community together to help poor kids. Donate blankets, warm clothes, even shoes to needy people. Poor people can benefit from sweaters, scarves, shawls, socks, even shoes. This will save thousands of valuable lives and help them survive the harshness of nature as poor people suffer much in the winters.

Shoes and Sweaters that Fit tackles one of the most visible signs of poverty by giving kids in need new shoes and sweater to attend school with dignity and joy. Together, we can make a difference to kids in need. Changing lives..One pair of shoes and sweater at a time. I love the smile that it puts on my kid's faces. It gives my kids an equal opportunity to be able to have good shoes and sweater in villages /schools and increases their confidence. Most importantly, we help kids improve their self-esteem and participation at school by eliminating one of poverty's most visible and debilitating marks. Target for 1000 pairs for girls and boys of age category between 3 yrs - 15 Yrs.
